M'ILLUMINO DI EMPORIUM

"Ritrovarsi insieme è un inizio, restare insieme è un progresso, riuscire a lavorare insieme è un successo". Emporium sceglie la prestigiosa frase di Henry Ford per ribadire l'importanza del gioco di squadra. Una squadra che sposa appieno la filosofia del pensiero positivo. Dal 1997 Emporium reinterpreta il concetto di luce e spazio, attraverso la creazione di oggetti che hanno l'ambizione di suscitare positività, ottimismo e fiducia.

Tutti i materiali plastici utilizzati sono riciclabili.

I'M ENLIGHTED WITH EMPORIUM

"Coming together is the beginning. Keeping together is progress. Working together is success ". Emporium chooses the prestigious quote of Henry Ford to reiterate the importance of teamwork. A team that fully embraces the philosophy of positive thinking. Since 1997 Emporium reinterprets the concept of light and space, through the creation of objects that have the ambition to arouse positivity, optimism and trust.

All plastic materials used are recyclable.
