Café / Armchair
Design / Christophe Pillet

Café, designed by Christophe Pillet, is a line of chairs in steel with a contemporary feel and classic references. It has a solid, sturdy construction to guarantee long-term use. The collection demonstrates impressive versatility thanks to chairs, armchairs and stools. The broad colour palette makes it ideal for both outdoor and indoor spaces, at home or in professional settings. The clean, elegant lines mean it can easily be paired with a wide range of tables from different EMU collections.

Materials

Steel
Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.
Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
