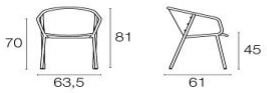
Nef / Armchair
Design / Patrick Norguet

The Nef aluminium seat collection, inspired by the graphic design of hot air ballons, combines eclectic style and visual lightness with a solid structure. Ideal for dining settings with a contemporary look & feel, Nef is perfect for informal and experiential contract settings and well suits to spaces where design, materials and colors are carefully mixed.

Description
Code: **629**
Typology: **Lounge Chairs**
Collection: **Nef**

Static Load: 200 Kg
Cover: Yes
Cover Type: FC/1210
Back Cushion: Yes
Cushion Material: Tessuto Basic|Tessuto Standard|Tessuto Exclusive
Seat Height: 45 cm

Technical Info



Width: **63.5 cm**
Depth: **61 cm**
Height: **81 cm**
Weight: **4.2 Kg**
Static Load: **200 Kg**

Packaging
Packages: **1**
Pieces for pack: **2**
Dimensions: **87x85x66 cm**
Volume: **0.488 mc**

Polyethylene bag and cardboard box

Materials

Aluminium
Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.
Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.

Synthetic Rope
Double braid with polyester or Nylon core and multifilament propylene covering. The external fibre is waterproof and resistant to UV rays.
Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents.
