Pinot

Pinot is a modern line of chairs and bar stools that combines domestic comfort with the durability required in office, hotel, and restaurant spaces. It is characterised by visual lightness — the openwork frame made of a thin steel tube resembles a sketch suspended in space. A rich selection of finishing options allows for the perfect matching of the furniture to any interior.

Collection Features

Visual lightness and stability:
- The openwork frame made of a steel tube ensures high structural strength.

Wide range of variants:
- Models with or without armrests are available, as well as four different material configurations for the backrest and seat within a single form (lacquered plywood, oak veneer, upholstery, and a mix of these).
- The variety of finishes (veneer/upholstery) allows for versatile adaptation to the character of the space.

Ergonomics and functionality:
- A practical handle in the backrest facilitates moving the chair.
- Specially profiled, tilted rear legs prevent the backrest from hitting the wall, protecting the interior from damage.
- Thanks to short armrests, the chair can be pushed under the table or hung on its top, which optimises space and makes tidying up easier.
- Chairs can be stacked up to 3 pieces.

Certificates

- Pinot chairs and bar stools have undergone tests in an accredited laboratory, confirming full compliance with standards **PN-EN 16139:2013-07** (safety in public facilities), **PN-EN 1728:2012** (structural strength and durability) and the latest **PN-EN 1022:2024-04** (stability and protection against overturning).

Technical data

Frame / Armrests:
- Steel tube with a diameter of Ø 16 mm, powder-coated metal.

Seat / Backrest:
- Beech plywood, 10 mm thick.
- Beech plywood upholstered with polyurethane foam.

Feet/Glides:
- Plastic
- Plastic with a felt pad (for hard floors)

Available body variants

- chairs

- bar stools

Armrests

N: (without armrests)

S (short armrests)

L (long armrests)

Material finish variants

PL-PL / PV-PV
Hard (plywood): seat and backrest made of matt lacquered beech plywood [PL] or plywood veneered with natural oak veneer [PV].

UU
Soft (upholstery): upholstered seat and backrest [U].

U-PL / U-PV
Mix (plywood + upholstery): upholstered seat [U], hard backrest made of lacquered plywood [PL] or oak veneer [PV].

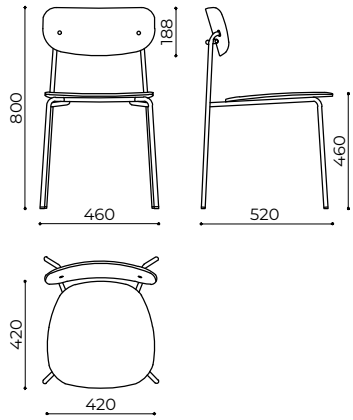

Colours and materials

Metal:
- Powder-coated: Full range of colours according to the current Balma pattern book.

Beech plywood:
- Matt lacquer: full range of colours according to the current Balma pattern book.
- Natural veneer: natural oak veneers according to the current Balma pattern book.

Upholstery:
- Group 0: Cubo, Lars, Mossa, Storm, Terra
- Group A: Cura, Era, Medley
- Group B: Agava (Wool), Aosta, Aries, Main Line Flax, Main Line Twist, Prato, Stamskin, Step, Step Melange, Valencia, Vel (Charleston)
- Group C: Blazer, Capture, Granola, Mood, Morph, Moulin, Remix 3, Silvertex, Synergy,
- Group D: Bhaluka, Carnival, Cleo, Credo, Hallingdal 65, Samoa, Sera, Steelcut Trio 3
- Group E: Arco, Gorky, Montreal, Ultra
- Group F: Arda, Prescott,
- Group G: Baru, Coda 2, Sprinkles

The dimensions and data presented in the technical sheet are for illustrative and reference purposes only. Due to the specificity of the furniture production process and the properties of the materials used (e.g., the elasticity and thickness of upholstery foam, the natural movement of wood), the actual dimensions and weights of the finished product may minimally differ from the stated values due to manufacturing tolerance.
