WE 270

: product card

The one-of-a-kind design and high-quality materials make the chair timeless and versatile, ideal for any interior, such as a restaurant, conference room or dining room. The main theme of the project is nature. Simplicity and solid workmanship combined in a very practical, comfortable and lightweight but durable monolith.

design:
Henrik Schultz

collection advantages

Inspired by nature

Wei features clean lines, a modern form, and a natural finish. Nature is the guiding theme of the design.

The chair features a clearly visible wood grain, is lightweight, and very practical. The use of high-quality materials makes Wei chairs timeless and minimalist.

wide range of possibilities

A wide range of natural veneer staining colours, armrests and an upholstered seat pad offering many design possibilities.

Models on a steel skid are also available.

All designs allow for stacking of up to 6 chairs.
