

BONALDO

Sleek

Designer: Mauro Lipparini

The Sleek armchair, which smoothly relates with the surrounding space, represents a new idea of comfort and visual appeal, able to dynamically interpret the needs of those who seat on it. The shape of this armchair designed by Mauro Lipparini, featuring discreet cuts and harmonious

geometries, recalls the nostalgic spirit of Italian mid-century modernism. The combined seat-backrest sits on a metal structure with an aesthetically light design. The Sleek armchair is available in two versions: with swivel base or with four feet.
