

BONALDO

Ketch, Miss Ketch

Ketch is a padded chair designed by Bartoli Design with shapes that are curved and stretched at the same time, without any breaks. The metal frame and comfortable padding are upholstered with leather, eco-leather or fabric upholstery, which are fully removable. Also available in the Miss Ketch variant (with armrests), version that can be combined for a functional and aesthetically consistent result. Characterised by generous and

welcoming proportions, the collection has a shape that is clean and essential, embellished by the great quality of the upholstery and the slender and dynamic sign that derives from its peculiar inspiration. This gentle object finds itself at home in refined domestic environments: perfect for the dining area, it manages to dialogue with different styles and worlds.
