Salomé

Designer: Mauro Lipparini

Perfect in its dynamic as a holder, every detail of the the Salomé valet stand contributes to the overall balance. A design composed of delicate geometric shapes and marked by precise vertical signs in which the luminous patterns of the transparent globe seem to dance with mirrored reflections. Lights, lines and materials as fundamental features of an object destined to perform a daily service that becomes an emblem of an

intimate relationship with the sleeping area: the beauty of the Salomé valet stand lies in the charm of the harmony between the forms and the intensity of its presence, a strongly scenographic design. The Salomé valet stand comes with metal frame and tray in different finishes. A version with lampshade is also available.
