

SPECIFICATION

Range: **RERECYCLED**

Design: **AMD L CIRCLE, studio di Michele De Lucchi**

Codes: **18RMDL-GC, 18RMDL-GS, 18RMDL-VE**

Description: A multifunctional piece, serving as both a plant stand and a stool, made of over 50% recycled polyethylene and 100% recyclable, with a matt satin finish in light grey, dark grey or green. Manufactured using rotational moulding technology and moulded in a single piece. Flared shape featuring vertical grooves, with the product name (rerecycled) embossed on one of them.
