

A modern chandelier with a black curved frame and multiple glass droplet-shaped light fixtures. The frame is a thick, black, curved line that forms a wide 'V' shape. Attached to this frame are several glass droplet-shaped light fixtures. Each droplet is made of clear glass and contains a small, warm-toned light bulb. The droplets are of varying sizes and are arranged along the curve of the frame, some hanging directly from it and others slightly offset. The background is a plain, light gray.

Dew Drops Inspiration

Nature's gems on blades of grass

Dew drops sparkling on a thin blade of grass expose the elemental beauty of nature that continues to fascinate us. The intimately familiar, yet still charming, shape of dew drops inspired this collection with its precise details. Lit by an internal light source offering an exceptional esthetic experience, the crystal objects, with hints of iridescence, adhere tightly to hand-sewn bands from an innovative material or high-quality leather.

Dew Drops Technical Information

DEW DROPS pendant

Design by
Boris Klimek

Handmade glass attributes

All Bomma products are hand-made from mouth-blown lead-free crystal. Therefore any small bubbles, non-melts and irregularities in the glass are both proof and a characteristic feature of this traditional craft. The intensity and color shade of the iridescent metal-coating may vary slightly from product to product. Small dots in the coating, especially visible after the light is on, are not a defect of the product.

LIGHTING DESCRIPTION

Size	dia. min. 1925 max. 2525 mm, H max. 1205 mm dia min. 75,8 max. 99,4 inch, H max. 47,4 inch overall lenght of the luminaire 3 m / 118 inch
Cable	transparent 2,5 - 15 m (max) / 98,4 - 590,5 inch (max) per specific project
Strap	black leather, black vegan leather (option to customize the color)
Weight	+ - 8 kg / 17,6 lb
Glass	mouth-blown lead-free crystal glass with titanium nitride coating
Glass colour	iridescent or smoke metalization
Canopy	black powder coat
Protection	IP 20
Nominal voltage	110-240V / A.C. 50-60 hz (EU) 110-120 V / A.C. 60 Hz (USA)
Class	I. EU / I. USA

LIGHT SOURCE

Type	7x LED MCOB 3,35W/100mA (+-5%) 385 lm, max 23.5W / 34V / 2700lm
Constant Current	I _{max} 700 mA
Temperature	2700 K
Color index	RA 90+
Dimming	Dimmable with TRIAC, ELV, 0-10V, PUSH, DALI, CASSAMBI

PACKAGING

Material	Cardboard
Size	1000 × 1000 × 300 mm 39,4 × 39,4 × 11,8 inch
Origin: traditionally produced in the Czech Republic Intellectual property license holder: Bomma Czech Republic (EU) Represented by BMRC group s.r.o.
