

BONALDO

Venere, Venere lounge

The suppleness of the body was inspired by the design of the Venere chair: the result is a sinuous shape that encompasses style and comfort and recalls the classics of design. The simplicity of the four lines on which it is based expresses a totally feminine elegance, as is evident starting from the name. Suited to the home or the office, Venere is completely upholstered in leather, eco-leather or fabric. The aesthetic is clean, light, agile and elegant, with a clear contemporary edge but still suitable for every

furnishing context thanks to the versatility that comes from the sartorial care and excellence of the materials. In the Venere lounge version, the proportions have been adapted so as to become an elegant armchair, it is designed to guarantee comfort, while leaving the formal features of Venere unaltered. The small dimensions make it suitable for living rooms and relaxation areas.
