BRINK & CAMPMAN

My passion for mid-century design has informed all aspects of my work and the products that have evolved. From our ready to wear, handbags and accessories to watches, jewellery, stationery, homeware and home textiles. The references are subtle but integral to our house style.

Often perceived as retro, we reinvent and aspire to newness, my colour palette evolving to build modern on modernism! Drawing, refining and simplifying organic elements into perfect motifs that are then repeated to build rhythmic patterns for everyday applications.

A mug, a storage jar, a bathroom towel, modest everyday essentials all deserve and require an attention to detail equal to that we give to a leather handbag or a silk dress.

The philosophy and principles remain the same. The integrity ever present.

To be enjoyed everyday.

B&C

At Brink & Campman we make collections of thoughtfully designed premium rugs. Brink & Campman has over 125 years of experience doing so. The craft of rug making means that no two rugs are exactly alike. The natural materials used in a handcrafted product might cause deviations in colour, texture or size.

This brochure has been created with great care. We make allowance for a degree of colour variation and cannot be held responsible for any printing errors or changes in the collection.
