

Antigua / Coffee table

Design / Federica Biasi

The inspiration comes from lines and geometries of the sea waves. The Antigua sofa collection combines soft aluminium shapes and light weave patterns creating design solutions that recall a feeling of authenticity and dynamism. The sofa collection shapes and sizes are designed with large and inviting seats evoking a perception of airiness and freedom. The aluminum main structure ensures durability and ease of movement making each element extremely versatile and suitable for different environments. The ergonomic support is guaranteed by many backrest cushions to offer a level of enveloping and modular comfort.

Description

Code: **1396**

Typology: **Coffee Tables**

Collection: **Antigua**

Static Load: 100 Kg

Shape: Round

Technical Info

Width: **45 cm**

Depth: **45 cm**

Height: **49 cm**

Weight: **4.1 Kg**

Static Load: **100 Kg**

Packaging

Packages: **1**

Pieces for pack: **1**

Dimensions: **51x51x52 cm**

Volume: **0.135 mc**

Polyethylene bag and cardboard box

Antigua / Coffee table
Design / Federica Biasi

Colors

Military Green

Matt White

Black

Indian Brown

Intense Red

Antigua / Coffee table
Design / Federica Biasi

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.
