

Antigua / 1-seater sofa

Design / Federica Biasi

The inspiration comes from lines and geometries of the sea waves. The Antigua sofa collection combines soft aluminium shapes and light weave patterns creating design solutions that recall a feeling of authenticity and dynamism. The sofa collection shapes and sizes are designed with large and inviting seats evoking a perception of airiness and freedom. The aluminum main structure ensures durability and ease of movement making each element extremely versatile and suitable for different environments. The ergonomic support is guaranteed by many backrest cushions to offer a level of enveloping and modular comfort.

Description

Code: **1391+C/1391+C/1394**

Typology: **1 Seat Sofas**

Collection: **Antigua**

Static Load: 200 Kg

Cover: Yes

Cover Type: FC/729

Back Cushion: Yes

Cushion Material: Tessuto

Basic|Tessuto Standard|Tessuto

Exclusive

Seat Height: 41 cm

Technical Info

Width: **96 cm**

Depth: **90 cm**

Height: **68-82 cm**

Weight: **16.6 Kg**

Static Load: **200 Kg**

Packaging

Packages: **3**

Pieces for pack: **1**

Dimensions: **100x94x73 cm -**

76x18x73 cm - 72x24x50 cm

Volume: **0.876 mc**

Colors

Military Green - Anthracite

Matt White - White

23-94

Black - Anthracite

Indian Brown - Brown

Intense Red - Red

Antigua / 1-seater sofa Design / Federica Biasi

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.

Synthetic Rope

Double braid with polyester or Nylon core and multifilament propylene covering. The external fibre is waterproof and resistant to UV rays.
