Seating for feel-good projects

Seating for feel-good projects

IT — Dal 1979 progettiamo sedie per l'ufficio, la comunità e gli spazi dedicati all'attesa, ispirati dalla medesima vision: coniugare il benessere del comfort alla piacevolezza del design. Soluzioni dalle linee essenziali, pensate per fondersi con naturalezza in qualunque stile di arredo. Valorizzate da una molteplicità di finiture, per conferire personalità ad ogni contesto. Evolute nelle tecnologie e nei materiali, per soddisfare le esigenze di ergonomia più attuali.

EN — Since 1979 we have been designing chairs for the office, community and lounge/waiting areas, all inspired by the same vision: to combine comfort with desire for design. Creations from essential shapes, designed to blend easily into any type of layout. Enriched through a multitude of finishes, bringing personality to any environment. State-of-the-art technologies and components, ergonomic solutions for today and beyond.

Mis en valeur par une multiplicité de finitions, pour donner de la personnalité à tout contexte. Évoluez dans les technologies et les matériaux, pour répondre aux exigences d'ergonomie les plus actuelles.

DE — Seit 1979 entwerfen wir Stühle für Büro-, Objekt- und Wartebereiche, die von der gleichen Vision inspiriert sind: das Wohlbefinden durch Komfort mit der Annehmlichkeit des Designs zu verbinden.
