Kori.

Design
Piotr Kuchciński

Shape that
embraces you
in comfort.

10

11

Comfort and
sustainability
in one chair.

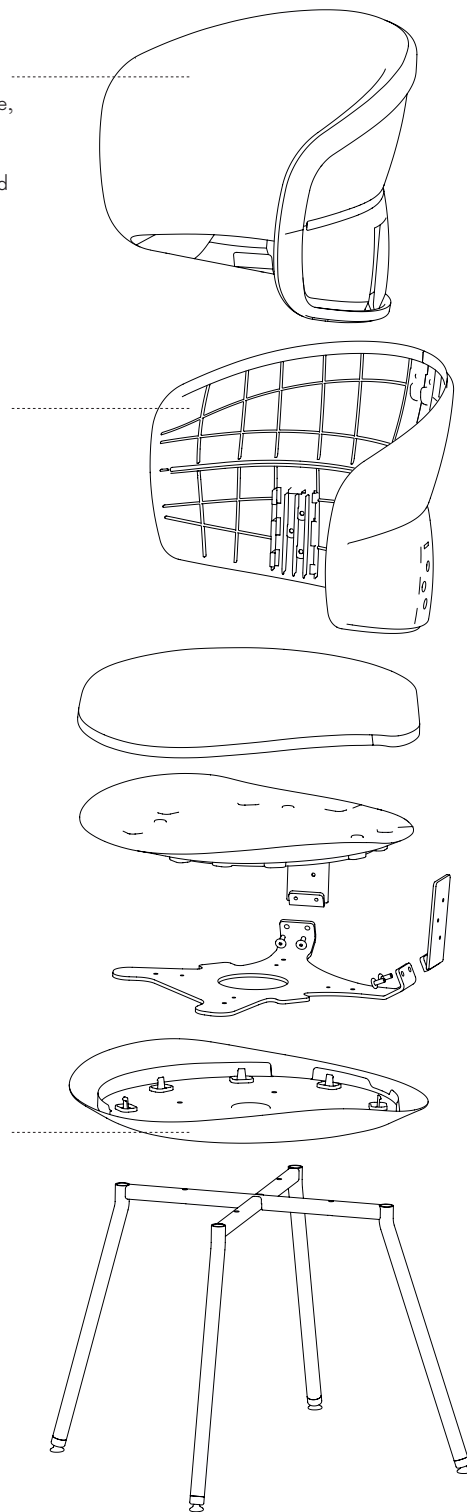

Choosing a recycled fabric and metal tube base ensures that every part of Ekori can be disassembled and fully recycled

Designed for a circular lifecycle, with separable components for minimal waste and maximum reuse

The glue-free and staple-free construction

The seat and backrest made of 100% recycled polypropylene plastic

Hana.

Design
Maja Ganszyniec

18
