

Decenta

S1H

Decenta, designed by Mai Ganszyniec for Profim, is a family of sofas and tables combining minimalist form with exceptional comfort. The characteristically lowered seat with precise stitching and slender legs gives Decenta a distinctive, light character. The multi-layered filling system ensures unparalleled softness, bringing a homely atmosphere to office spaces.

Collection features:

- A complete family of sofa: an elegant armchair and 2- and 3-seater sofas, complemented by functional tables in two sizes.
- Timeless design: clean, geometric form with characteristically lowered seat line and pronounced armrests and stitching, suitable for a variety of office spaces.
- Unparalleled comfort: exceptionally soft seat with advanced filling system, providing a superior user experience throughout the workday.
- Innovative filling technology: Cushions with SkyFill™ synthetic fiber - a lightweight, fluffy material with anti-allergenic properties and high resistance to deformation.
- Minimalism: Slim metal frame with aesthetic legs giving the furniture a light and elegant character.
- Designer: The collection was created by Maja Ganszyniec - a respected designer who masterfully combines functionality with refined simplicity and thoughtful proportions.
