

## SITT

Bean bag  
Art. no.: 2-138

### Description:

#### **An innovative bean bag**

SITT is a unique bean bag that lets you sit in different comfortable positions. The special design of the cover creates stability, so it doesn't collapse and even looks good after you've used it. Available in materials for outdoor and indoor use.

Year of design: 2009

### Function:

Comfy sitting experience with the option of varied sitting positions.

Stable shape so it keeps its good look after use.

### Sales Arguments:

An innovative bean bag....

Some of the influences behind the SITT bean bag include contemporary architecture, and a new take on the bean bag chair.

A special cover design makes for a stable shape, so the SITT bean bag keeps its good looks even after use. A comfortable sitting experience with the option of varied sitting positions for relaxing, watching TV, using a laptop, etc.

### Design: SUSANNE GRØNLUND

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture.

Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
