Design by Busk+Hertzog, 2019

Maximum minimalism Comfort and elegance are beautifully united in the lounge chair EVY, designed by busk+hertzog. A clean design with a minimum of materials used to create the elegant and modern look that busk+hertzog is known for. This lounge chair challenges our perception of dimensions and lets the big, comfortable backrest act as a contrast to the less pronounced seat and the light, airy frame.
