**Stylish and casual** This is a fresh, uncomplicated sofa bed in a chic design, perfect for sitting, chilling and sleeping. The sofa radiates a casual elegance with the fabric-covered steel armrests and the cushions with pointed seams. The construction of the armrests creates a strong identity and uniqueness. The seat depth of the MADISON sofa invites you to lounge and chill. The pillows, which can be freely arranged, can be used as armrests, for lumbar support or as backrests – and there is plenty of space for your personal favourite pillow too. As an extra hidden feature, MADISON is easily converted into a comfortable single or double bed.
