

## TRAY

Table low  
Art. no.: 2-820100

### Description:

#### **Architectural eye-catcher**

TRAY is a table with a table top that functions as a tray for everyday objects.

The table comes in two different heights and can be arranged to overlap each other. An architectural and modern eye-catcher in the living space.

Year of design: 2012

### Design: Matthias Demacker

Matthias Demacker was born in southern Germany in 1970. He studied design at FH Niederrhein in Krefeld and at the same time worked with a number of different architects' studios on trade fair exhibition stands. After graduating, he moved to Munich, worked for a number of interior design studios and in 2003 set up his own. He has received many acknowledgements at an international level, such as the Interior Innovation Award, a nomination for the German Design Award (both in 2005), the Red Dot Award in 2007 and the Good Design Award in 2010.

His vision for design: 'make it special, but keep it simple'.
