Design by Andreas Lund, 2016

Change it op UNIT is a range of poufs with a strong look and a playful personality. The pouf has eight equally long sides that fit together in such a way that you can create an infinite variety of patterns just by moving the poufs around – there are no limits. The UNIT pouf is an interesting example of a piece of furniture that can be rearranged to work in different ways in a changeable environment.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
