**A sofa with a personality** VENUS is an elegant sofa with a build-in sleeping function. The simple and light steel frame runs along the backside of the sofa – a special detail that invites you to place the sofa in the middle of the room so the design can be enjoyed from all angles. The built-in armrests and soft backrest create maximum comfort, and in spite of the size, VENUS is easily transformed into a bed to fit adults.

## Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
