Libreria modulare in alluminio, vetro e legno, disponibile in configurazione con fissaggio a soffitto (freestanding) oppure con fissaggio a parete. Struttura composta da montanti verticali e traversi in alluminio anodizzato nero. I montanti verticali presentano una modanatura in legno massello. Ripiani da 60 o 100 cm in vetro extralight, fumè o bronzo da 8 mm fuso a gran fuoco. Elementi contenitori da 100 cm con struttura in legno ed ante a ribalta in vetro curvato da 6 mm extralight, fumè o bronzo.

Modular library in glass, aluminium and wood, available in ceiling-mounted (freestanding) or wall-mounted configuration. Structure composed of vertical and crossing uprights made of black anodized aluminum. Vertical uprights in solid wood molding. 60 or 100 cm shelves made of 8 mm high temperature fused glass in extralight, smoked or bronze finish. 100 cm storage elements with wooden frame and drop-down doors in 6-mm extralight, smoked or bronze curved glass.

NOTE TECNICHE

Libreria con fissaggio a parete

altezze standard: H 240 cm - H 260 cm - H 280 cm - H 311 cm.
Altezze su richiesta: H max 311 cm.

Libreria con fissaggio a soffitto

Solo altezze su richiesta: H max 315 cm.

Entrambe le versioni prevedono l'impiego di staffe di ancoraggio per assicurare i montanti a parete: non è possibile in nessun caso collocare la libreria in configurazione "centro stanza" (freestanding). I supporti per il posizionamento dei ripiani e dei contenitori sono fissati ai montanti con un sistema a pressione e possono essere posizionati all'altezza desiderata. Portata su ogni ripiano: 15 kg.

TECNICAL NOTES

Wall-mounted bookcase

standard heights: H 240 cm - H 260 cm - H 280 cm - H 311 cm.
Custom heights: H max 311 cm.

Ceiling-mounted bookcase

Custom heights only: H max 315 cm.

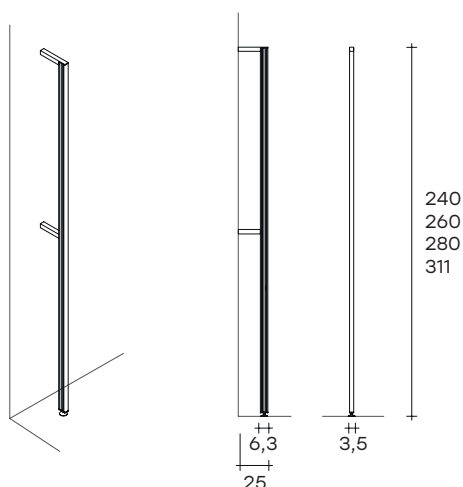

Both versions require the use of fastening brackets to secure the uprights to the wall: it is not possible under no circumstances to place the bookcase in a configuration in the middle of the room (freestanding).

The supports for the installation of the relevant shelves and storage units are attached to the uprights with a pressure system and can be positioned at the required height. .

Load capacity on each shelf: 15 kg

Le altezze riportate sui montanti si riferiscono all'altezza massima della libreria completa di piedini. Per montanti con altezza su richiesta, è necessario indicare in fase d'ordine la distanza effettiva tra pavimento e soffitto. Il sistema libreria prevede una tolleranza minima in altezza che può essere regolata in fase di montaggio: ± 1 cm per le versioni con fissaggio a parete; ± 2 cm per le versioni con fissaggio a soffitto (± 1 cm per ogni piedino).

The heights reported on the uprights refer to the maximum height of the entire library with feet. For the uprights with custom height, the actual distance between the floor and the ceiling must be indicated upon ordering. The library system includes a minimum height tolerance that can be adjusted during assembly: ± 1 cm for wall-mounted versions; ± 2 cm for ceiling-mounted versions (± 1 cm for each foot).
