

Juniper Poliweave

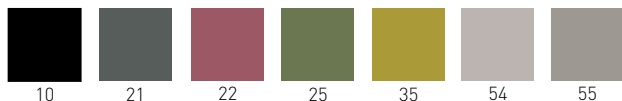

Forsix Design

The Juniper Poliweave table collection blends robust construction with contemporary design. Crafted from durable techno-polymer and available in a range of colors, each table offers exceptional resilience and adaptability. A three-spoke base with adjustable feet ensures stability, while the refined herringbone-patterned top adds elegance and distinctive character-enhancing both indoor and outdoor spaces with effortless style.

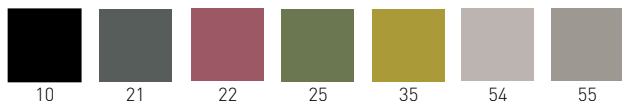

La collezione di tavoli Juniper Poliweave coniuga solidità e design contemporaneo. Il tavolo in tecnopolimero disponibile in diverse cromie, garantisce resistenza e versatilità. Un basamento a 3 razze con piedini regolabili e un piano impreziosito da un raffinato motivo a spina di pesce, dona eleganza e carattere distintivo esaltando con stile ogni contesto d'arredo da interno e esterno.
