INNOVATION LIVING™

OUR PHILOSOPHY

Innovation Living is a globally recognized sofa bed specialist, renowned for crafting innovative, high-quality, multifunctional furniture that combines aesthetic appeal with practical versatility. Our mission is to create stylish, space-saving solutions that enhance everyday life — whether by maximizing the potential of compact spaces or providing a welcoming and comfortable place for guests to stay overnight.

As consumers, we share a collective responsibility to reassess our consumption habits. Prioritizing durable products designed to stand the test of time is essential, as this is the most effective way to reduce resource consumption and minimize environmental impact.

In line with this philosophy, we are dedicated to delivering designs that excel in aesthetics, functionality, and durability, ensuring long-term usability and value. At the same time, we carefully select materials and construction methods with a focus on sustainability, ease of disassembly, and recirculation potential — further reducing environmental impact.

YONATA

Design by Emil Højfeldt & Per Weiss 2021

About

Yonata has a minimalist and modern, contemporary design. There is a back that is upholstered on both sides - backrest on one side and mattress on the other. This means that Yonata can be used without back cushions, and that the cushions for the lower back are just a question of comfort optimisation.

Yonata is characterised by the small, elegant leg made of black lacquered cast aluminum.

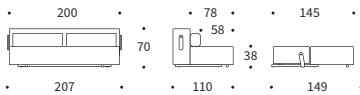

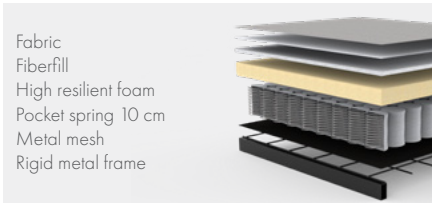

Product Features

- Available from DK stock in 1 fabric. Available in other Innovation Living fabrics in 13-15 weeks.
- Strong and durable metal frame construction.
- 16 cm Pocket Spring comfort.
- Bed size of 145 x 200 cm.

MULTIFUNCTIONALS

ULTIMATE DESIGN CUSTOMIZATION

Our Multifunctional series offer extraordinary sofa beds that provide true comfort without compromise.

With a wide range of mattresses that are all handmade in Denmark, you can choose your favorite one to provide you with sumptuous comfort that suits your needs.

DESIGN IT YOURSELF IN 4 EASY STEPS

Step 01: Choose design and size

Step 02: Choose comfort

Classic
Firmness rating: Firm
Mattress sizes: 120 / 140 x 200 cm.

Made from recycled foam, the Classic mattress is durable and provides a high degree of support for a comfortable sleep. Our high density foam provides strong motion isolation, making it easy to share the mattress. Choose our Classic mattress for a firm comfort.

Latex
Firmness rating: Medium
Mattress size: 140 x 200 cm.

A breathable natural core of high quality OEKO-TEX® latex ensures a durable mattress that adjusts to your body. Latex sleeps cooler than foam and reacts instantly to your every move. Choose our Latex mattress for a medium comfort.

Spring
Firmness rating: Soft
Mattress sizes: 120 / 140 x 200 cm.

The spring mattress is characterized by the soft comfort combined with effective pressure relief. Furthermore, the combination of fiberfill, a thin layer of foam, and the pocket springs ensure that the mattress is breathable and able to conduct moisture and heat away at night.

Soft Spring
Firmness rating: Extra soft
Mattress sizes: 120 / 140 x 200 cm.

The Soft Spring mattress offers a unique comfort achieved through the combination of pocket springs and the built in topper of hyper soft foam. Choose our Soft Spring mattress for an extra soft comfort.

Step 03: Choose styling

Nordic Mattress (Fixed)

This is the standard mattress look with pull downs. You decide the textile you like, and should you later happen to change your mind about style or color, you can choose between the two detachable cover options we offer.

Nordic Cover (Detachable)

This cover has a sleek, rounded surface with stylings in each of the corners of the mattress. It covers up your entire mattress, giving you the option of choosing a different color. Should you want to change the look, simply buy a new cover instead of a new mattress.

Sharp Plus Cover (Detachable)

This cover has a sleek surface with stylings across the edges of the mattress. It covers up your entire mattress, giving you the option of choosing a different color. Should you want to change the look, simply buy a new cover instead of a new mattress.

Optional seat cover

A back frame cover is always included. If you prefer the full cover look, a seat frame cover can be purchased.

Step 04: Choose fabric

Fabrics
Discover our collection of handpicked fabrics, each chosen with precision to offer a versatile range of options. Whether you are drawn to classic simplicity or modern boldness, our selection provides fabrics to complement any personal style. From timeless neutrals to rich, eye-catching shades, you will find colors that inspire creativity and individuality. Every fabric in our collection is OEKO-TEX®-certified. Experience the perfect combination of variety, elegance, and conscious craftsmanship in every choice.

View our fabric collection on page 79, or go online to use our 3D visualizer.

COMFORT

Pocket Spring

The individual pockets in these models ensure that pressure is applied to each individual spring for optimal support – in seating as well as sleeping position. The high resilient foam casing contributes to a breathable mattress while providing a soft top support.

The following models have this comfort:

Ellis, Ghia, Idun, Nolis, Recast, Sigga X, Splitback, Sly, Sly Wood, Trym, Unfurl, Unfurl Lounger and Zeal.

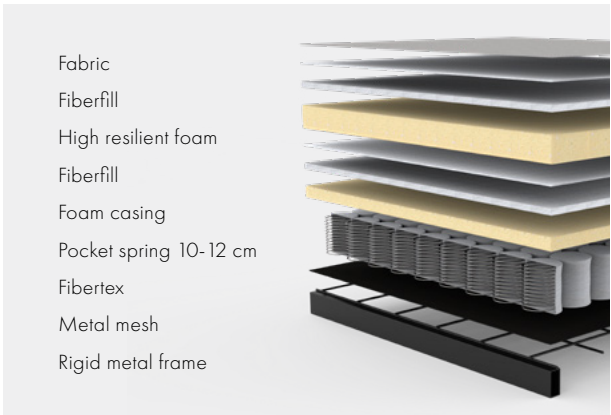

Pocket Spring Dual

The Pocket Spring Dual comfort share the general composition of the Pocket Spring models apart from the extra layer of hyper soft foam that gives these sofa beds an extra soft feel. This extra layer of luxury provides a soft seating and sleeping comfort.

The following models have this comfort:

Cone, Cornila, Dublexo, Malloy, Malloy Wood and Osvald.

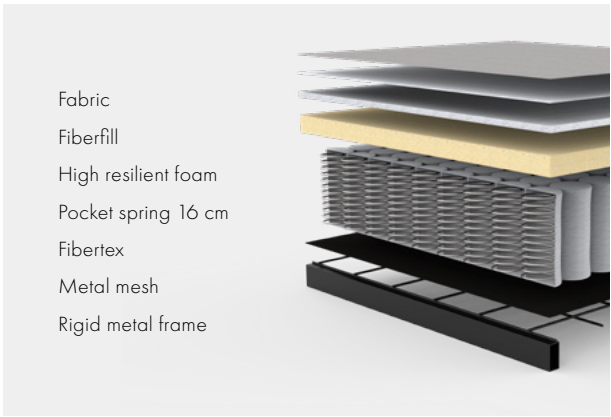

Excess Pocket Spring

The higher coils in the Excess Pocket Spring models provide a softer sofa comfort. In combination with the core foam casing, the Excess mattress has higher absorption of pressure on each spring for a more comfortable sleep.

The following models have this comfort:

Bifrost D.E.L., Cassius D.E.L., Long Horn D.E.L., Pyxis D.E.L., Supremax D.E.L. and Yonata.

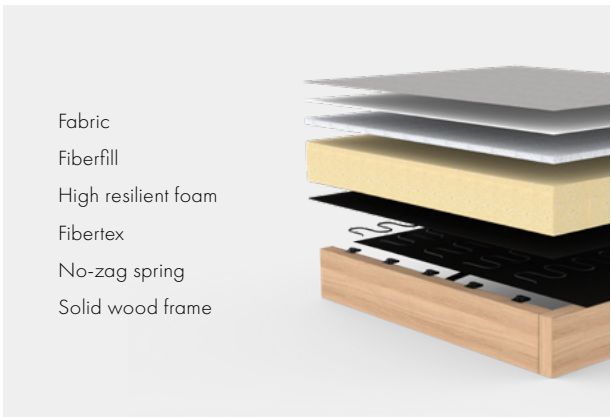

No-zag Spring

The no-zag springs and the thick layer of high resilient foam provide an even and soft seating as well as sleeping experience.

The following models have this comfort:

Akello, Akello Lounger, Cubed, Luoma and Olan.

No-zag and Pocket Spring

The combination of no-zag and pocket springs with HR-foam and hyper soft foam on top create a unique softness in seating as well as sleeping position. The use of no-zag contributes to an extra layer of elasticity and allows the mattress to breathe.

The following models have this comfort:

Newilla and Newilla with lounger.

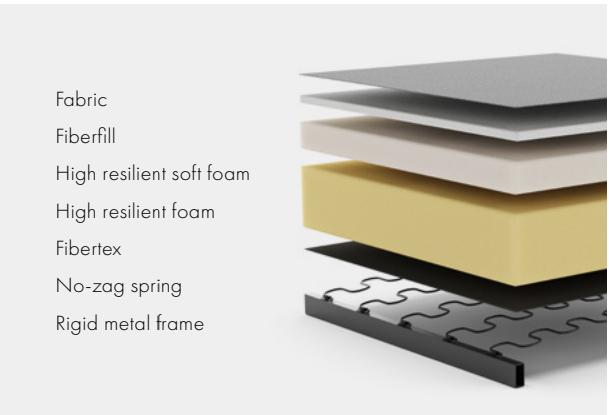

Metal No-Zag Spring

The No-zag Spring provides an even and soft comfort ideal for sofa seats and backrests. The thick layer of high resilient foam enhances the comfort of the spring to ensure a great sleeping experience as well.

The following model has this comfort:

Jillis.

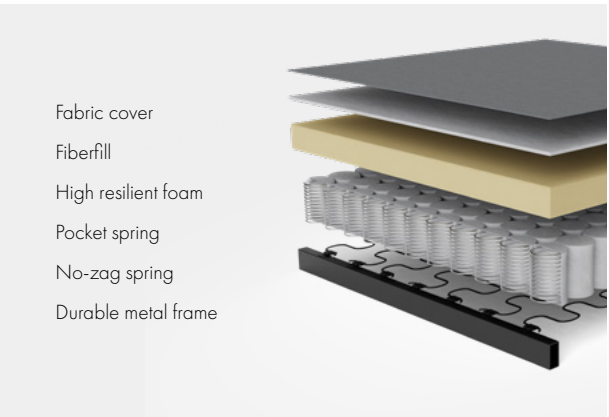

Double Spring

Durable metal frame with a unique combination of no-zag and pocket springs topped with high resilient foam. A mattress construction that offers a soft and inviting top as part of a unique sitting and sleeping comfort.

The following model has this comfort:

Neah.

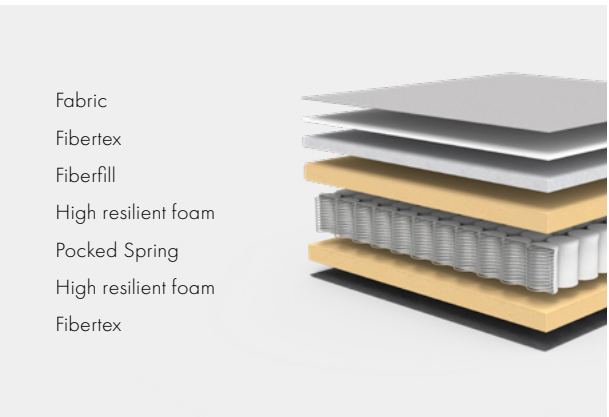

Sigmund

Pocket Spring mattresses ensure that pressure is applied to each spring separately. The result is a mattress that supports individual parts of your body better. The springs are surrounded by layers of high resilient foam providing a soft top support – whether for playing, sitting, or sleeping. Pocket Split mattresses consist of two separate mattresses that can be used separate or in combination.

The following model has this comfort:

Sigmund.

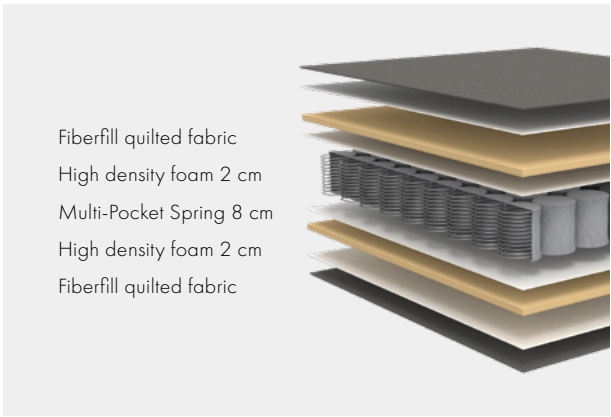

COMFORT

5-zone Multi-Pocket Spring

The breathable Multi-Pocket Spring mattress - designed for comfortable sleep with as many as 650 springs per square meter and 5 comfort zones to support the individual parts of your body. Furthermore, the cover is removable and can be washed at 60 degrees Celsius.

Available for:
Eivor and Killian.

Dual Memory

The Dual Memory mattress features two comforts in one as the mattress is reversible with one side consisting of an 8 cm high density foam whilst the other side consists of 4 cm OEKO-TEX® certified memory foam. Whether you prefer soft or firm comfort this mattress offers both. Furthermore, the cover is removable and can be washed at 60 degrees Celsius.

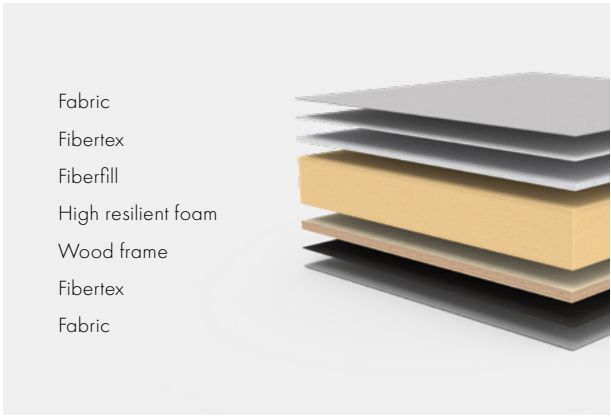

Available for:
Eivor and Killian.

Puri

A core of high resilient OEKO-TEX® foam surrounded by soft layers of fiberfill creates a firm mattress suitable for comfortable seating and sleeping.

The following model has this comfort:
Puri.

INNO TOPPERS & MATTRESS PADS

Inno Toppers

80 / 90 / 120 / 140 / 150 / 160 / 180 x 200 cm.
A 5 cm durable and reversible top mattress with a core of hyper soft foam that provides an even and supportive sleeping surface on all adjustable sofa beds. The cover is 100% polyester which is breathable, removable and machine-washable at 60 degrees Celsius.

The top mattress comes with a bag for storage when not in use. The bag helps minimise the volume of the topper for better storage.

Mattress Pads

80 / 90 / 120 / 140 / 150 / 160 / 180 x 200 cm.

A mattress pad provides a little extra cushioning and an added layer of protection for your mattress. They can be removed and machine-washed at 60 degree Celsius. The fabric is OEKO-TEX® standard 100 certified.

Available for most mattresses.

FABRIC SPECIFICATIONS

We place high value on ensuring that our fabrics all match the high quality of the design as well as durability of our sofa beds. All fabrics are enhanced with additional backing for extended life time and undergo rigid testing to meet the high standards we impose on our designs and production. To ensure our fabrics are free of harmful substances, all our fabrics are OEKO-TEX® certified.
