NOTI

Muse is an extensive family of comfortable living room furniture. In addition to traditional elements such as sofas, ottomans, round pouffes and an armchair, Muse also comprises a recliner and a bench.

A distinguishing feature of the Muse collection is its cuboid-shaped armrest cushion positioned at an angle towards the inside of the seat.

Geometric backrests consist of a harder core and a soft support fused into a single form through the use of the same upholstery fabric.

Seat	PU foam – standard and high-elasticity types, with distinctive shapes
Structural elements	plywood, steel section, rubber and webbing upholstery tapes
