

cushions

PP/PG 60x45

: product card

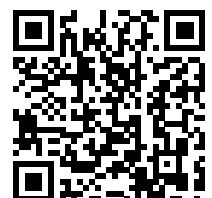

Cushions are a universal addition to upholstered furniture. They are made from fabrics identical to the sofa or armchair upholstery.

collection advantages

Several options

Cushions are available in two versions: plain and with a button in the same color as the upholstery, which adds a subtle finishing touch to the cushion

cozy accessories

will transform austere spaces into cozy interiors. Pillows made from the same fabric as the office furniture upholstery are the perfect finishing touch to the decor. Choosing a different color than the upholstery fabric will give the space a unique character.

zero-waste

are filled with leftover upholstery foam, making them a product that aligns with the zero-waste philosophy. They are available in two versions: plain and decorative, with a button matching the upholstery color.
