

BONALDO

Olos chair

Designer: Mauro Lipparini

Olos chair stands out for its harmonious shapes which characterize its component parts: the support given by the wooden legs, the sense of being enveloped guaranteed by the shell and the base in moulded polyurethane. The shell, a tribute to organic design, stands out thanks to its sinuous and minimalistic design, based on the technical/aesthetic qualities of curved laminated wood. The load-bearing flexibility of the Olos curved shell tangibly

embodies its ergonomic calling, thus making it a chair with a level of comfort that is neither immediately obvious nor taken for granted. Thanks to its iconic appearance and cosmopolitan style, the Olos chair is suitable for both domestic and hospitality environments as well as being available in the office version with a metal cross base and swivel seat.

Data sheet

Olos chair
Width: 56cm
Depth: 53cm
Height: 82cm
