Tuilli estende il concetto di calda e ricercata accoglienza a forme morbide e avvolgenti. Sagome generose si accompagnano a volumi di diverse dimensioni che colpiscono per un'estetica riconoscibile, legata a un elegante equilibrio tra classico e moderno. Numerosi elementi si incontrano in spazi che richiedono soluzioni distintive, accomunate da coerenza formale e minuziosi dettagli di eleganza grafica. Progettata da Andrea Steidl, Tuilli è un'ampia famiglia che trova posto negli ambienti comuni legati all'accoglienza e all'attesa e in quelli più privati degli spazi domestici. I vari componenti, con struttura in legno o metallo, mettono in luce una personalità forte ed eclettica che incontra gusti ed esigenze diverse, grazie a un'ampia gamma di finiture e rivestimenti.

Tuilli extends the concept of warm and refined hospitality to soft and enveloping shapes. Generous silhouettes are accompanied by volumes of different sizes that strike a recognisable aesthetic, an elegant balance between classic and modern. Numerous elements meet in spaces that require distinctive solutions, united by formal coherence and meticulous details of graphic elegance. Designed by Andrea Steidl, Tuilli is a wide collection that finds its place in the common areas related to welcoming and waiting, and in the more private ones of domestic spaces. The various components, with structure in wood or metal, highlight a strong and eclectic personality that meets different needs and tastes, thanks to a wide range of finishes and coatings.

PULIZIA, USO E MANUTENZIONE

Per la pulizia periodica degli elementi in legno e metallo, si prega di utilizzare acqua tiepida e un panno morbido, eventualmente sapone neutro diluito in acqua, o prodotti consigliati per legno o metallo. Non utilizzare prodotti abrasivi o alcoolici. Dopo la pulizia asciugare il prodotto con un panno. Per pulire la tappezzeria, fare riferimento alla scheda del produttore. Per sollevare o spostare il prodotto afferrare saldamente la struttura e non parti di essa. Il prodotto non deve essere sottoposto a carichi decentrati ed è stato progettato per essere utilizzato in condizioni normali di appoggio. Non utilizzare il prodotto in modo inappropriato: non dondolarsi o sedersi sopra in modo errato, in quanto ciò può compromettere la stabilità, la durata del prodotto e la sicurezza dell'utilizzatore. Maneggiare con cura evitando urti o graffi con altri oggetti. Alla fine della vita del prodotto, tutte le parti devono essere smaltite secondo la normativa vigente. Cantarutti Srl, al fine di migliorare l'aspetto tecnico e qualitativo della sua produzione, ha il diritto di modificare, implementare, aggiornare e/o modificare i modelli in qualsiasi momento e senza notifica.

CLEANING, USE AND MAINTENANCE

For the periodic cleaning of wood and metal elements, please use warm water, and a soft cloth, eventually a neutral soap diluted in water or products recommended for wood or metal. Do not use abrasive or alcoholic products. After cleaning dry the product with a cloth. To clean the upholstery, please refer to the related manufacturing company. To lift or move the product, hold the structure firmly and not parts of it. The product must not be subjected to decentralised loads, it has been designed to be used in normal support conditions. Do not use the product in an inappropriate way: do not swing on or sit on it in an incorrect way, this may compromise stability and/or durability of the product and the safety of the user. Handle the product with care, avoiding impacts with other objects. At the end of the product's life, all parts must be disposed in accordance to the legislation in force. Cantarutti Srl, in order to improve the technical and qualitative details of its production, shall be entitled to amend, implement, upgrade and/or modify the models at any time and without notification.
