

MAKE YOURSELF AT HOME

# MyKartell

WE IMAGINE HOMES TO LIVE IN, SPACES TO ENJOY, BUILDINGS TO FURNISH AND TO PERSONALISE. OUR ENVIRONMENTS FORM THE ESSENCE OF IDENTITY, WHERE DETAILS BRING IDEAS TOGETHER.

A CATALOGUE OF NEW DESIGNS THAT SIT ALONGSIDE THE BRAND'S SIGNATURE PIECES, WITH FINISHES THAT REFRESH A TIMELESS STYLE AND MATERIALS THAT, THANKS TO TECHNOLOGY, PERFORM BETTER THAN EVER. CONCEPTUAL WORLDS AND THE PRODUCTS THAT INHABIT THEM, SHAPED BY THE CREATIVITY OF OUR DESIGNERS, EACH WITH THEIR OWN STORY. TOGETHER, THESE STORIES BUILD A CATALOGUE OF POSSIBILITIES WHICH, COMBINED AND HARMONISED, CREATE THE KARTELL IDENTITY.

# MyKartell

## MAKE YOURSELF AT HOME

*A Kartell home belongs to those who love to inhabit it, transform it and bring its elements together to create something unmistakably unique.*

*It reflects the constant, meticulous daily work that Kartell carries out throughout the year, bringing into this catalogue all of its creative heritage, whether new, renewed or reimagined. We have never stopped.*

*We continue to enrich this valuable dialogue tool with new references, new pieces and new worlds. We have kept on imagining possible futures, homes, offices, public spaces and welcoming environments.*

*We don't stop at what has always served us well. We test ourselves with new services, with ongoing updates and support for the sales network, with new customer needs whether private individuals or designers, with continuous checks on product quality and production processes, with dialogue across the supply chain and relationships with partners.*

*Our mission is to turn the past into a springboard for the future.*

SOME VISIONS ARE FIXED ON IMAGES; OTHERS LOOK BEYOND, EXPLORING IN DEPTH AND EXPANDING HORIZONS. OUR VISION IS ONE OF BROAD PERSPECTIVES AND HORIZONS THAT ARE DISTANT NOT ONLY GEOGRAPHICALLY BUT IN DESIGN TOO. WE LOOK BEYOND WHAT WE HAVE ALREADY DONE AND ADOPT A MINDSET THAT IS OPEN TO ALL NEW PRODUCTS AND NEW FORMS OF PARTNERSHIP. OUR APPROACH IS EXPANSIVE NOT ONLY IN OUR STORES BUT IN OUR WAY OF DOING BUSINESS; WE INTERACT WITH ALL SEGMENTS OF THE MARKET, TRADITIONAL, DIGITAL AND CONTRACT.

A modern interior space featuring a large abstract mural on the wall, a floor lamp, a commode, and armchairs. The mural consists of bold black lines and shapes on a light beige background. In the foreground, there are two red armchairs and a matching ottoman. A floor lamp with a black shade and a curved arm is positioned near the mural. A wooden commode with a shelf is also visible. The room has large windows on the right side, letting in natural light. The overall aesthetic is minimalist and contemporary.

This catalogue was printed using 100% self-generated electricity produced using photovoltaic panels and other renewable sources.

This catalogue is printed on "Magno Volume", a high-quality coated fine paper made exclusively from virgin cellulose fibres. Produced using ECF/TCF bleaching processes without elemental chlorine, it is fully recyclable and awarded the EU Ecolabel for its reduced environmental impact. Magno Volume is manufactured in compliance with the strictest European regulations on chemical safety, ensuring a responsible and sustainable choice for premium printing; 100% recyclable and FSC® certified for the responsible management of the world's forests.

The inks used for the printing process are vegetable-based and mineral oil-free. The oil carrier in which the coloured pigments are dissolved is obtained from specially cultivated plant seeds, further limiting CO<sub>2</sub> emissions. The use of solvents and additives containing VOCs (volatile organic compounds) has been eliminated from the entire printing process.

The printing presses used are CO<sub>2</sub> Neutral certified, and the printer offsets the inevitable additional CO<sub>2</sub> emissions associated with the production process with reforestation activities managed by Rete Clima.
