## ERGONOMY

Kastel progetta e produce sedute che rispettano le esigenze ed i limiti dell'uomo, garantendo l'integrità fisica e psicologica che ne potenzia le capacità operative. L'obiettivo è quello di accrescere l'efficienza dell'utente e di contribuire al suo benessere psicofisico.

Kastel designs and produces seating which respect mankind's requirements and limits, guaranteeing physical and psychological integrity which increases working capability. The objective is to increase user's efficiency and to contribute to their psychophysical well-being.

## AVVERTENZE GENERALI

I colori chiari, non devono essere messi a contatto con tessuti e capi d'abbigliamento trattati con coloranti non fissati, o con scarse solidità di tintura, onde evitare macchie ed aloni di coloranti di cui non possiamo garantire la pulitura.

## GENERAL WARNINGS

To avoid permanent stains, the lighter colours of the article should not be brought into contact with textiles and clothing unfixed dyes. We cannot guarantee the ability to remove unknown dyes from light coloured product.
