**Tavolo con struttura metallica e gambe in estruso di alluminio di forma poligonale uniti da un angolare in alluminio pressofuso**

***/ Table with metallic structure and extruded polygonal aluminium legs, connected by a die-casted aluminium junction***

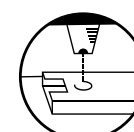

## TAVOLO DROP / DROP TABLE

Struttura composta da profili in acciaio tagliati a laser, verniciata a polveri epossidiche. Giunto angolare d'unione stampato in lega di alluminio, in finitura spazzolata lucida o verniciata. Gambe in alluminio verniciato a forma poligonale, leggermente inclinate. Adatto per ogni ambiente, il tavolo Drop offre infiniti abbinamenti fra la struttura e il piano, in varie dimensioni per adattarsi al meglio ad ogni esigenza.

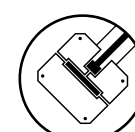

L.120/140cm x P.80cm + allunghe da 40cm  
L.120/140/160/180/200cm x P.90/100cm + allunghe da 40cm  
x H.76cm

Structure composed of laser-cut steel profiles, epoxy painted. Die-casted aluminium junctions, in brushed glossy or painted finish. Polygonal aluminium painted legs, slightly inclined. Suitable for every space, Drop table offers infinite combinations of structure and top, in various dimensions, to adapt better to every need.
