La linea di prodotti offerta da Progetti è accomunata da attenzione al design e alla creatività tipiche del made in Italy, che permette di costruire oggetti con un'immagine nuova per le funzioni di sempre. Ogni nostro progetto è studiato e prodotto in Italia. Pensati per chi cerca stile ed eleganza, creati su nostro disegno originale, i complementi Progetti si distinguono per l'alta qualità dei materiali, per la preparazione artigianale che richiedono e per la cura dei particolari.

The entire line of products offered by Progetti shares the same relentless attention to design and creativity typical of the finest made in Italy production that permits the construction of objects with a new image for the same cherished functions as ever. Each of our design projects is conceived and produced in Italy and particularly addressed to those in search of style and elegance. Developed to our own original designs, Progetti decor accessories are distinguished by the high quality of the materials used, fine handcraftsmanship, and painstaking attention to each and every detail.
