Anam - table

Designer Federico Peri
Produzione / Production year: 2025

Descrizione

Struttura – Base

In tubolari d'acciaio verniciati 60x40 mm, spessore 2 mm e ripiano in MDF laccato spessore 25 mm.
Ogni gamba della struttura è provvista di feltro.

Top

In MDF laccato spessore 30 mm oppure in vetro extra chiaro retro laccato (temperato e con trattamento antigraffio) spessore 8 mm, appoggiato superiormente. Dei tubolari in acciaio verniciato sono incollati al vetro e garantiscono il fissaggio al top in mdf. Quest'ultimo viene collegato alla base con una piastra in acciaio verniciato.

Description

Structure – Base

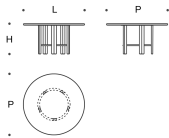

In painted wire drawn steel 60x40 mm, 2 mm of thickness and 25 mm thick lacquered MDF shelf.
Each structure's leg is fitted with felt.

Top

In lacquered MDF 30 mm thick or in extra-clear back-lacquered glass (tempered and with anti-scratch treatment) 8 mm thick, resting above. Some painted wire drawn steel are glued to the glass and ensure the fix to the MDF top. The latter is connected to the base with a painted steel plate.

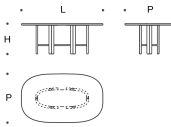

Tavolo tondo 150 VETRO
Round table 150 GLASS

L = 150 cm
P = 150 cm
H = 75 cm
