Serie polifunzionale con scocca in Polipropilene in 14 colori di cui 8 disponibili in CL1 ITA e 2 in M2 FRA. Possibilità di applicare sia su sedile che schienale un pannello tappezzato, oppure dotare la seduta di una fodera tappezzata amovibile. La serie si distingue per la varietà delle strutture atte a soddisfare le varie esigenze, quindi strutture fisse o girevoli ed anche su trave. Finitura delle strutture in colore nero (N), cromata (CR) o in colore grigio alluminio (VA).

Multifunctional series based on a seat made with Polypropylene single shell available in 14 colours (including the arm pads), 8 of which are available in a fireproof CL1 (ITA) and 2 of each in fireproof M2 (FRA). The seat can be embellished with a removable cover or with fixed upholstered panels. The series is offered with multiple frames suited to meet various community needs. It includes items with a 4-leg or sled base, with or without armrests, with or without hook, or beam or swivel bases. The frame finishing comes with black (N), chromed (CR) or aluminium grey (VA) finish.

Série multifonctions avec coque en Polypropylène en 14 couleurs, dont 8 sont disponibles en CL1 ITA et 2 en M2 FRA. Il est possible d'appliquer sur l'assise ainsi que sur le dossier un placet tapissé, ou de munir l'assise d'une housse. La série se distingue par la variété de ses structures, adaptées à toutes les exigences, structures fixes ou tournantes ainsi que sur poutre. Finition des structures de couleur noire (N), chromée (CR) ou gris aluminium (VA).

CH/TPN
