Q-Easy XL

Design: STUDIO OMEGA

QEASY XL 09 conforme alla norma UNI EN 16139 1° livello
conforms the EN 16139 1st level standard
conforme aux normes EN 16139 1° niveau

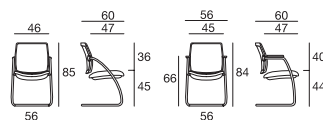

Versione XL – si differenzia dalla versione standard per avere lo schienale più alto di 4 cm. La versione XL mantiene tutte le caratteristiche strutturali e di componentistica della serie Q-Easy ed è proposta nelle varianti RETE (tipo N) e AIR (membrana tappezzata in ogni rivestimento a cartella). La cornice dello schienale XL, che è realizzata in Nylon, è proposta nei colori grigio GR/19, nero NE/09 e crema CM/71. Finitura della struttura: colore nero (N), bianco (BI) corrispondente al RAL 9010, grigio alluminio (VA) e cromata (CR).

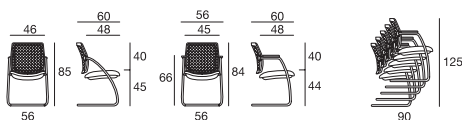

XL version – differs from the standard version in having the backrest higher than 4 cm. The XL version maintains all the characteristics, components and finishing of the Q-Easy standard backrest. The XL version is suggested with backrest in RETE (mesh, N type) and AIR (inner mesh with foam coupled with any kind of covering). The XL backrest's frame is made in Nylon, suggested in grey colour (GR/19), black colour (NE/09) and white cream (CM/71). Metal frame finishing: black (N), white (BI) correspondent to RAL 9010, chromed (CR) and grey aluminium (VA).

Version XL - diffère de la version standard par le fait que le dossier dépasse 4 cm. La version XL, qui maintient toutes les caractéristiques de la structure et des composants de la série Q-EASY, est proposée dans les variantes RETE (type N) et AIR (membrane tapissée dans tous les revêtements du nuancier). Le cadre du dossier XL est en Nylon, proposé en couleur grise (GR/19), en couleur noire (NE/09) et en crème (CM/71), finition de la structure métallique: noir (N), blanc (BI) correspondant au RAL 9010, gris aluminium (VA) ou chromée (CR).
