Design by Busk+Hertzog, 2005

Casual and happy ORLANDO is a modern swivel chair in a simple, happy and positive design that suits any room or setting. Choose between the many colours and find one to match your interior design. Minimalistic and comfortable.

Functionality

Swivel chair – The chair automatically swivels back to its original position.

Design Vision

Light, happy, comfortable and versatile...

ORLANDO is a modern swivel chair, which with its simple design has a happy and positive expression. Even though only a minimum of material is used, the chair is surprisingly comfortable. Go discover the special details, for example the back, which is placed inside the seat and the new and provocative upholstery technique. Depending on choice of fabric, ORLANDO can be an elegant relax chair, complementing the sofa group, or the new and different element in a new and modern interior.
