

BASKET CHAIR HIGH

Product Data Sheet
Latest update: 27/08/2025

**SOFT
LINE**

Art. No.: 2-579

Design by Matthias Demacker, 2011

Country of Origin: Made in Denmark

Colourful beach baskets Inspired by functional beach baskets, BASKET is designed as an integrated modular system with two different back heights. This allows you to customize and design your seating just the way you like it. The intelligent sofa is a great setting for an intimate and cosy time alone – or with friends, family or colleagues. The BASKET armchair comes with a swivel or fixed base. The BASKET poufs can be used as a footrest or a side table.

Awards

Winner of Good Design Award 2020 and Green Good Design Award 2022.

Functionality

Chair can be ordered with an extra top that has the back 127 cm.

Design Vision

Colourful beach baskets.
Inspired by colourful beach baskets and integrated in a modular system that allows two different height adjustments for the back, BASKET lets you arrange your seating just as you like. This intelligently designed sofa provides a great setting for an intimate and cosy time alone or with friends, family or colleagues. BASKET is an all-around concept suited to both work and private spaces.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
