LINE**

Design by Busk+Hertzog, 2008

Country of Origin: Made in Denmark

It's in the details BON-BON is a breath of fresh air in the world of classic furniture. This multifunctional pouf comes in different sizes and a wide range of materials and colours. Mix them for a modern and personal look and create an interesting and functional interior design.

Functionality

A multifunctional pouf with high density and high quality foam, which ensures a good sitting comfort. The poufs are easy to move around and placed where needed. Can be placed sideways and used as a seesaw or rocking chair for children.

Design Vision

When details matter...

BON-BON breathes new life into a classical piece of furniture. With BON-BON, you not only get a completely new type of the multi-functional pouf, but also the possibility of combining them in different sizes and materials. The use of mixed materials provides excitement and personality for your home, in line with the latest trends within both fashion and furniture.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
