Design by Busk+Hertzog, 2023

Time for reflection The seat and the back of the model JAVA sofa mirror each other to create a soft and inviting design. The light and delicate metal frame give this spacious design a lovely sense of balance. JAVA can be used in both private and public spaces, and it can be placed anywhere in the room thanks to detailing on the back frame and the integrated design of the back and seat. Beautiful on its own or in a group.
