JOE is a series of soft, flexible seating furniture based on strong shapes, geometric curves, and clear lines. The centrepiece of the series is a circular pouf with slim legs. All seating elements are embraced by a light back wall that serves as a protective shell and creates comfort and privacy for relaxation or private conversations in hotel lobbies, lounge areas, libraries, or modern offices spaces. The soft backrest cushion provides maximum comfort. The family of seating poufs, sofas and armchairs are completed by a matching coffee table with the same floating appearance.

Care and Maintenance

Cleaning. Generally, it's recommended to clean lacquered surfaces regularly with a clean and dry microfiber cloth. A damp cloth can also be used followed by wiping with a clean and dry cloth. Stain removal. Acting quickly is paramount – otherwise the stain can bind to the surface and cause permanent damage. We always recommend to use neutral detergent dissolved in lukewarm water to clean surfaces. Please only use a neutral detergent – never use alcohol or other solvents. Any persistent stains can be removed with some drops of concentrated neutral detergent directly placed on the stain for 5 minutes and then wiped from the surface with a damp cloth. Do not rub firmly on the material as this can damage the surface. Always test stain-removal agents on a small, inconspicuous area before proceeding.
