Design by Busk+Hertzog, 2015

Origami unfolded Remember the folded paper fortune-tellers that children make? The iconic and truly striking lounge chair FOLD is inspired by those. The upholstery is constructed of various geometric shapes and sits simply on four distinct legs. This creates a light and springy look despite the generous padding. A relaxing chair for private homes and public spaces.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
