

MOAI SWIVEL

Swivel chair
Art. no.: 2-448

Description:

We are now introducing MOIA with a swivel base that creates a surprising and elegant contrast to the monumental shape. The MOIA chair is designed to close comfortably around you and acts as a small room that allows you to enjoy a moment of peace and contemplating. From the side the MOAI chair has a unique and slightly naive expression reminiscent of the massive sculptures of faces on Easter Island.

Base: polished aluminium or black

Year of design: 2017

Design: Philip Bro

Philip Bro Ludvigsen was born in 1962 and is a graduate of Danmarks Designskole.

He began his own design studio, philip bro design, in 1998. In his short career so far, he has designed an impressive number of products and worked on projects ranging from large auditoriums to small candlesticks. He has enjoyed great success with his UnderCover lamp range for Le Klint. Most recently, he developed the Twist range for Georg Jensen.
