

## ORLANDO WOOD

### Description:

The ORLANDO chair has a light and springy wooden frame in a design that is both contemporary and inviting. Despite its light look, the chair is both comfortable and spacious and well suited to rooms containing both modern and vintage furniture. The back's innovative finish against the seat is a refined detail that makes the chair ideal for placing on its own in the room, in a spot where it can be seen from all angles.

The iconic ORLANDO chair now has a big brother with this compact, lightweight and super versatile bench. The design is an extension of the characteristic and innovative construction of the chair with the slim, softly rounded back. The bench is perfect as a compact sofa or bench in a private home, in the small lobby or as a beautiful and graceful piece of furniture in the corner office.

ORLANDO bench is expected to be ready for delivery January 2019.
