

EVY

Chair

Description:

Comfort and elegance is beautifully united in the new lounge chair EVY designed by busk+hertzog. A simplistic design and a minimum of materials are used to create the elegant and modern look busk+hertzog is known for. This lounge chair challenges our perception of dimensions and lets the big, comfortable backrest act as a contrast to the less pronounced seat and the light, airy frame.

Year of design: 2019

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
