Design by Busk+Hertzog, 2018

Have a seat NUUK is an extremely versatile and comfortable chair. With integrated armrests in organic shapes and light, yet characteristic frame, it works equally well as a dining room chair and as a guest chair in the office. The size and shape of the armrest make the chair practical and suitable for a table, while providing lots of comfort for sitting and working. The chair is shaped to be welcoming and is made in a durable, modern design.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
