Design by Johannes Steinbauer, 2025

Ottoman, pouf, or bench? BEAM does it all, and by adding the minimalist table, it becomes even more functional. The design is inspired by the stoic and solid look of massive wooden beams. With a sense of security and stability, BEAM is an invitation to sit down and relax, wait, or work. The upholstered seating unit rests on an elegant frame, creating an eye-catching contrast while adding a floating lightness and modern expression. BEAM is available in the sizes small and large, and the table can be added to both sizes. When furnishing a large space, BEAM can be arranged in countless ways, allowing you to create smaller spaces within the space.

Care and Maintenance

Removable covers. Cleaning: If the symbol P is on the care label, the cover can be dry-cleaned. Extra covers can be purchased if you need a new colour or fabric. We recommend to vacuum the covers often. For further information, please find our Care and Maintenance guide, which includes advice and instructions on cleaning and caring to prolong the life of your SOFTLINE product.
