Description:

Cutting edge design

The SAND Collection is cutting edge design inspired by nature. The main inspiration is the way water transforms and shapes stones through time, and the way sand constantly creates new shapes. The SAND Collection is unique and functional furniture that creates a comfortable and peaceful setting for you and those around you.

Year of design: 2010

Function:

SAND collection consists of three pieces of furniture:

Lounge chair, sofa chaise long and pouf, that makes it possible to create many great arrangements with beautiful design.
