Qui in Calligaris, crediamo che i mobili debbano essere sia pratici che belli. Crediamo che il design debba essere combinato all'ingegneria per creare soluzioni innovative.

Persino dopo quasi 100 anni, crediamo nello sperimentare con il design e i materiali. Desideriamo solo creare l'articolo perfetto per la tua casa. E sappiamo che ogni casa è diversa, per questo motivo abbiamo moltissimi prodotti tra cui scegliere come sedute, tavoli, letti e persino accessori.

In Calligaris, crediamo nella personalizzazione. E crediamo nella qualità. Infatti, tutti i nostri prodotti sono rigorosamente certificati. Crediamo anche nella comodità, ed è questo il motivo per cui ci troverai in tutto il mondo.

Ma soprattutto, crediamo nell'importanza di fare casa. Una casa da vivere dove mangiare, dormire, lavorare e giocare.

Here at Calligaris, we believe that furniture should be both practical and beautiful. We believe that design should be combined with engineering to create ingenious solutions.

Even after almost 100 years, we still believe in experimenting with design and materials. We just want to create the perfect item for your home. And we know that every home is different so we've got plenty of products to choose from. That includes seats, tables, beds, storage and accessories too.

At Calligaris, we believe in customisation. And we believe in quality. In fact, all our products are strictly certified. We believe in convenience too, which is why you'll find us all over the world.

But most of all, we believe in the importance of making a home. A home for living, dining, sleeping, working and playing.

FENIX NTM® NANOTECH
MATT MATERIAL

FENIX NTM® è un materiale innovativo di Arpa Industriale creato per l'interior design, adatto ad applicazioni sia verticali sia orizzontali. La parte esteriore di FENIX NTM® è ottenuta con l'ausilio di nanotecnologie ed è caratterizzata da una superficie trattata con resine acriliche di nuova generazione, indurite e fissate attraverso il processo di Electron Beam Curing. Con una bassa riflessione della luce, la sua superficie è estremamente opaca, anti impronte digitali e piacevolmente soft touch. FENIX NTM® è adatto alle molteplici applicazioni tipiche dell'interior design: cucine, hospitality, healthcare, trasporti, bagni, elementi di arredo (tavoli, librerie, partizioni, sedie).

FENIX NTM® is an innovative material created for interior design applications by Arpa Industriale. It is suitable for both vertical and horizontal use. The external surface of FENIX NTM® involves the use of nanotechnology and it is characterized by next generation acrylic resins, hardened and fixed with Electron Beam Curing process. With low light reflectivity, its surface is extremely opaque, anti-fingerprint and features a very pleasant soft touch. FENIX NTM® is suitable for different interior design applications: kitchen, hospitality, healthcare, transportation, bathrooms, furniture (tables, bookshelves, partitions, chairs).
